Detailed description of the activity (describing each stage and step of the activity and how they address the objectives)	gi4. divide the group in groups (at least 5 in each group). You can use the method below: count 1,2 and split the group. Put the group to choose one of the themes(needs) that we are giving them. The themes are presented below. <b><i>Exemples of needs:</i></b> Single mothers that dont have network to get help with their children. Our community doesnt have enough recycling places. Older people that are living alone. Animals on the street. <b>You can choose others if needed.</b>

ask the group to discuss and choose the resources(post its on the board) that it could help them to solve their need. Its not mandatorry that all the resources to be used.

Give them to complete the form regarding the PCM (you can check it below)

<b>Why? (identification and programming)</b>	
<b>How? What?Planning</b>	
<b>When?Where?I mplementation</b>	
<b>Is it credible and usefull ? Evaluation</b>	

Let the group to work and finish the task

Put them to present the results of the group activity – oral

Explain them the connection between PCM and the process of their group work (DEBRIEFING )
